

2017 County-Wide Micro Overlay Project

Updated 05-26-2017

Welcome

Faribault County will be completing bituminous pavement projects on four (4) county highways between June and August this year.

CSAH 18 (225th St.) from TH 169 to CSAH 13 (430th Ave.)

CSAH 32 (180th St.) from TH 22 to the East County Line

CSAH 20 (8th Ave.) from TH 22 to CSAH 21 (Main St.) in Minnesota Lake

CSAH 20 (4th Ave) from TH 22 to 0.3 miles east in Minnesota Lake

CSAH 21 (Main St.) from TH 22 to the North County Line

Project Background / Description

CSAH 18 from TH 169 to CSAH 15 includes the replacement of the bridge located 0.4 miles west of CSAH 15 and a 4" bituminous overlay.

CSAH 18 from CSAH 15 to CSAH 13 will receive 7' of new bituminous pavement

CSAH 20, 21 and 32 will all have a 3" mill and 3" bituminous overlay.

Schedule

June 2017: CSAH 18 bridge will be removed and box culvert installed.

July 2017: CSAH 18 paving

August 2017: CSAH 20, 21 and 32 Mill and Overlay

How Traffic is Affected

Box Culvert: CSAH 18 will be closed for 7-10 days.

Overlays: Traffic will be reduced to one lane with flaggers

EXPECT MAJOR DELAYS

DO NOT DRIVE ON THE SURFACE IF IT IS SHINY AND BLACK
