

NOTICE

It shall be the policy of Faribault County to enforce Minnesota Statute 160.2715, Right of Way use.

No encroachment into the county road right of way will be tolerated and all objects must be removed from the county road right of way at the landowners expense. Right of way is maintained by the county for snow control, drainage and field of vision.

The county's main purpose is to keep the traveling public safe and in order to do this the county must have control of the right of way.

Contact the Faribault County Public Works Department at (507) 526-3291 with any questions.
